 - Full details of our response to peer on peer abuse, including sexual violence and harassment can be found in our child protection policy.
- We recognise that sexual violence and sexual harassment between children can take place online. Examples may include;
 - Non-consensual sharing of sexual images and videos
 - Sexualised online bullying
 - Online coercion and threats
 - 'Upskirting', which typically involves taking a picture under a person's clothing without them knowing, with the intention of obtaining sexual gratification, or causing the victim humiliation, distress or alarm. It is a criminal offence

 - inform parents and carers, if appropriate, about the incident and how it is being managed.
 - If appropriate, make referrals to partner agencies, such as Children's Social Work Service and/or the police.

 - If a criminal offence has been committed, the DSL (or deputy) will discuss this with the police first to ensure that investigations are not compromised.
- review the handling of any incidents to ensure that best practice was implemented, and policies/procedures are appropriate.
- Allington Primary School recognises that internet brings the potential for the impact of any sexual violence and sexual harassment concerns to extend further than the local community, and for a victim or alleged perpetrator to become marginalised and excluded by online communities.
- We recognise the potential for repeat victimisation in the future if abusive content continues to exist somewhere online.
- To help minimise concerns, we will ensure that all members of the community are made aware of the potential social, psychological and criminal consequences of online sexual violence and sexual harassment by implementing a range of age and ability appropriate educational methods as part of our curriculum.
- We will ensure that all members of the community are aware of sources of support regarding online sexual violence and sexual harassment between learners.

 - Youth produced sexual imagery or ‘sexting’ is defined as the production and/or sharing of sexual photos and videos of and by young people who are under the age of 18. It includes nude or nearly nude images and/or sexual acts.
 - It is an offence to possess, distribute, show and make indecent images of children. The Sexual Offences Act 2003 defines a child, for the purposes of indecent images, as anyone under the age of 18.

- implement appropriate sanctions in accordance with our behaviour policy but taking care not to further traumatise victims where possible.
- consider the deletion of images in accordance with the [UKCIS](#) guidance.
 - Images will only be deleted once the DSL has confirmed that other agencies do not need to be involved and are sure that to do so would not place a child at risk or compromise an investigation.
- review the handling of any incidents to ensure that best practice was implemented; the leadership team will also review and update any management procedures, where necessary.

11.3 Online abuse and exploitation (including child sexual abuse and sexual or criminal exploitation)

- Allington Primary School recognises online abuse and exploitation, including sexual abuse and sexual or criminal exploitation, as a safeguarding issue and all concerns will be reported to and dealt with by the DSL (or deputy), in line with our child protection policy.

- if appropriate, make a referral to Children’s Social Work Service and inform the police via 101, or 999 if a learner is at immediate risk.
- carry out a risk assessment which considers any vulnerabilities of learner(s) involved, including carrying out relevant checks with other agencies.
- inform parents/carers about the incident and how it is being managed and provide support and signposting, as appropriate.
- provide the necessary safeguards and support for learners, such as, offering counselling or pastoral support.
- review the handling of any incidents to ensure that best practice is implemented; leadership team will review and update any management procedures, where necessary.
- We will respond to concerns regarding online abuse and exploitation, regardless of whether the incident took place on our premises or using setting provided or personal equipment.
 - Where possible and appropriate, learners will be involved in decision making. If appropriate, they will be empowered to report concerns themselves with support, for example if the concern relates to online sexual abuse via CEOP: www.ceop.police.uk/safety-centre/
- If we are unclear whether a criminal offence has been committed, the DSL (or deputy) will obtain advice immediately through the Education Safeguarding Service and/or police.
- If made aware of intelligence or information which may relate to child sexual exploitation (on or offline), it will be passed through to the police by the DSL (or deputy).
