

Allington Primary School

Evidencing the Impact of Primary PE and Sport Premium

Department for Education Vision for the Primary PE and Sport Premium

ALL pupils leaving primary school **physically literate** and with the **knowledge, skills & motivation** necessary to equip them for a **healthy, active lifestyle** and **lifelong participation** in physical activity and sport.

What is the Sports Premium?

The Government is allocating funding of £150 million per annum to provide new, 'substantial primary school sport funding'. This funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, and will see money going directly to primary school head teachers to spend on improving the quality of sport and PE for all their children.

The sport funding can only be spent on sport and PE provision in schools.

Purpose of funding

The funding has been provided to assist in the improvement of PE and sport in schools. The aim is to achieve self-sustaining improvement in the quality of PE and sport in primary schools. It is important to emphasise that the focus of spending must lead to long lasting impact against the vision (above) that will live well beyond the Primary PE and Sport Premium funding.

Expectations of school improvement

It is expected that schools will see an improvement against the following five key indicators:

1. the engagement of **all** pupils in regular physical activity to promote healthy active lifestyles
2. the profile of PE and sport being raised across the school as a tool for whole school improvement
3. increased confidence, knowledge and skills of all staff in teaching PE and sport
4. broader experience of a range of sports and activities offered to all pupils
5. increased participation in competitive sport

How have Allington Primary School decided to spend the sports funding?

The PE coordinator at Allington has rigorously driven sport development for both pupils and staff. Regular and in-depth celebratory events take place in Key Stage assemblies where children can share their sporting achievements. The school is working towards achieving School Games Bronze award and has aspirations to continue this development through to the Gold award. Parents are encouraged to celebrate in their children's in school and out of school achievements with a large proportion of children representing local sporting clubs.

- This report will be updated at the end of each academic year to identify the success of our initiatives and the impact they have had.
- Delivery will be monitored by the PE coordinator in the first instance. This will be overseen and managed at Senior Leadership level.
- Monitoring of teaching through drop-ins and participation in extra-curricular activities run by school staff, volunteers and outside agencies to ensure that provision is of high quality.
- A report will be made to Governors three times a year.
