

Allington Primary School Wrap Around Care Provision 2024/2025

At Allington Primary School, we are committed to providing a **safe, positive, happy, and active environment** at our **Breakfast and Afterschool Club Provision**. Our aim is to ensure children feel **relaxed and secure**, have the opportunity to **play, be active, make friends across year groups**, and have fun in a **well-supervised** setting.

The capacity for our provision is 40 children in each session. Both Breakfast and Afterschool Club are held in the school hall, making use of outdoor spaces when the weather permits! Our provision is led by school staff that the children see throughout the day, and this provides familiarity and continuity for the children. Due to the popularity of this provision, and to ensure that we are able to meet the specific dietary needs of children, booking must be made at least 10 days in advance of sessions being required. The provision is over-subscribed, and we currently hold a waiting list. Please be aware that our waiting list does not prioritise parent professions and the list is reviewed on a termly basis.
